## Parish of Codsall

**Church of Codsall: St Nicholas** 

The church is listed under the Planning (Listed Buildings and Conservation Areas) Act 1990.

The listing is grade II\*

At a meeting of the Diocesan Advisory Committee held on 15/09/2021

The following works or other proposals were considered:

Installation of a new audio-visual system within the church, to include a projector and double-drop projector screen, speaker system and audio induction loop, and an equipment cabinet and desk. All in accordance with quotation refs GRPQ10174-08 and GRPQ13755 by B+H (Sound Foundation Ltd), dated 22nd November 2019 and 1st July 2020.

The Committee recommends the works or proposals for approval by the court [subject to the following provisos]:

• Reconsideration of the precise location and method of fixing of the proposed PTZ cameras, and of the subwoofer speaker, is required, in order to mitigate the visual impact of these newly-introduced elements within the scheme. • This element of the proposal should be revised accordingly, and resubmitted via the DAC Secretary for approval by the DAC Audio-Visual Adviser. The parish is invited to liaise with the Adviser on the meeting of these requirements, upon request. • The parish should address these matters prior to advancing to the Public Notice stage on the Online Faculty System.

This advice does not constitute authority for carrying out the works or proposals and a faculty is required.

In the opinion of the Committee rule 9.9 of the Faculty Jurisdiction Rules (publication of notice on diocesan website) applies.

In the opinion of the Committee the work or part of the work proposed is likely to affect -
